

**SOLE SOURCE CERTIFICATION**

A Sole Source Certification is required when there is only one (1) vendor that can provide an item or service.

For example, if the sole source is located in the County, an attempt must be made to contact vendors in only the County which may have the item. However, if the sole source is located in Texas, then an attempt must be made to contact vendors in the Texas, New Mexico region.

If there is a GSA or State Contract for the item a sole source certification is not permissible.

**CERTIFICATION BY DEPARTMENT**

I hereby certify that a good faith effort has been made to contact other vendors in the general overall geographical region that the sole source has been located, and that the item or service is the only source found to be available in that region.

Names of vendors contacted which do not have the item or service available:

Blue Collar Construction

Mesa Verde Construction

Description of sole source item or service

Asphalt Spray Injection - Dura Patcher System

Name of Sole Source Vendor:

Delanda Construction Inc.

Address of Sole Source Vendor:

P.O. Box 958

La Luz, NM 88337

Price of Sole Source Items or Service:

\$232,771.55
