SPECIFICATIONS**

1. SCOPE OF WORK

The County of Lincoln is requesting bids to supply the Spec Base Course material that is used on County roads. This is a “supply” or “supply and deliver” bid and does not include application of the base course materials.

2. TYPE OF BASE COURSE

Spec Base Course, Class I-B or Class II-B, must meet the New Mexico Highway and Transportation Department Specifications for Base Course (Blue Book, Section #304, for Class I-B or II-B).

Base course and sub-base aggregate shall be composed of materials consisting of crushed stone, crushed or screened gravel, caliche, sand or a combination of such materials. Base course and sub-base aggregate shall be free from vegetable matter and all other deleterious materials including silt and clay balls.

The aggregate materials shall be combined in such proportions that the resulting composite blend meets the requirements of one of the classes in Table 304 (below) unless otherwise shown in the contract.

Table 304: Base Course & Sub-Base Gradation

<u>Sieve Sizes</u>	<u>I-B</u>	<u>II-B</u>
1”	100	100
3/4”	80-100	85-100
No. 4	30-600	40-70
No. 10	20-45	30-55
No. 200	3-10	4-12
2FF*	50% or more	50% or more

*Fractured faces tests shall be performed on the material retained in the No. 4 sieve. A face shall be counted as fractured whenever one-half (1/2) or more of the surface, when viewed normal to the face, is fractured.

Type I-B, Type II-B aggregate shall have a percent of wear of fifty (50) or less at 500 revolutions when tested in accordance with AASHTO T-96 and the course aggregate shall have a percent of soundness loss of eighteen (18) or less when tested in accordance with AASHTO T-104 using magnesium sulfate solution and a test duration of five (5) cycles.

3. LOS ANGELES WEAR AND SOUNDNESS SAMPLE TESTING

Samples from each of the rock quarries you are bidding must be tested to determine their quality in terms of the Los Angeles Wear and Soundness Loss. Tests will be at the Bidder's expense. The LA Wear and Soundness results must be furnished with the bid package. The County will accept LA Wear and Soundness tests that have been conducted within the last year. **Failure to submit the LA Wear and Soundness Test(s) with your bid or failure to meet the Wear and Soundness specifications will result in your bid being disqualified.**

4. The winning bidder will provide sample testing twice a month, with the road superintendent being at the site when the samples are taken. If the winning bidder has more than one pit each pit must be tested twice a month and the results sent to the road superintendent.

5. ESTIMATED QUANTITY

The County estimates an annual usage of 40,000 tons of spec base course. This figure is an estimate only and does not represent a commitment to purchase any specific amount of base course. Ordering will be done on an "as needed" basis. The supplier must maintain a stockpile of at least 700 tons of spec base course and be responsible for loading the material onto the County vehicles when picked up at the supplier's stockpile.

6. AWARD METHOD

Bids may be awarded to more than one supplier. It is the County's intent to secure sources of aggregate material at various locations to be used for construction projects in all parts of the County.

The bids will be awarded on the lowest cost to the County to have the base course either picked up by the County at the Supplier's site or delivered to the County Road Department Yard in Capitan. The "lowest cost" figure will be arrived at by adding the County's cost in time, fuel and vehicle maintenance to the bid price for "Pick Up" at the various stockpiles. This adjusted cost will then be compared to the bid price for "Delivered" material.

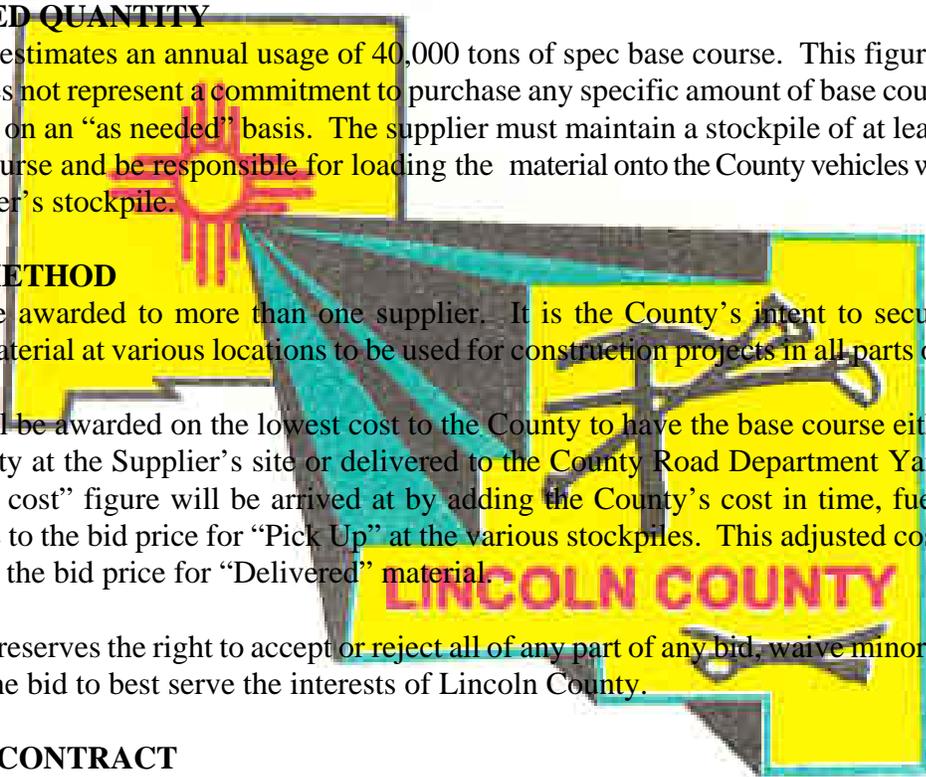

The County reserves the right to accept or reject all of any part of any bid, waive minor technicalities and award the bid to best serve the interests of Lincoln County.

7. TERM OF CONTRACT

The term of this contract shall be one year from January 1, 2015 through December 31, 2015. Bid prices shall remain firm for the entire contract year.

8. ORDERING PROCEDURE

Successful suppliers will be provided one week's advance notice when large amounts of basecourse are required unless an emergency occurs. Lincoln County reserves the right to use different successful suppliers from other Districts in case of any emergency, bad road conditions or if the awarded supplier does not meet the specifications or does not have quantities available when requested.

9. METHOD OF PAYMENT

The County intends to pay by the ton measured at the Supplier's stockpile. The method of measurement shall be in a manner acceptable to the County. The County will only be billed for actual tons of spec base course used. If no spec base course is purchased by December 31, 2015, there will be no charge to the County.

10. HOW TO RESPOND TO THIS BID

All bids submitted should be in a sealed envelope clearly marked on the outside with the BidName, Bid Number and Date and Time of Opening. Bids should be sent or delivered to the County of Lincoln, 300 Central Ave, P.O. Box 711, Carrizozo, NM 88301.

You may submit just the Bid Sheet and the LA Wear and Soundness Test.

11. IMPORTANT INFORMATION REGARDING MAIL DELIVERY

Carrizozo is in a remote section of southern New Mexico. *Normal* mail delivery does not exist here and **overnight delivery by any carrier is a myth!**

- Within New Mexico allow 3-4 days by regular mail.
- Out-of-state mail can take 5 days via regular mail.
- If you want to use UPS, Federal Express or Priority Mail, check with the carrier first. They should be able to tell you when your mail *might* arrive in Carrizozo.
- Mail early or hand deliver. The County cannot be responsible for mail delays. Your bid will be returned unopened if it arrives late. Faxed bids will not be accepted.

- 12.** An in-state resident business/contractor or veterans' preference will be given to all resident New Mexico businesses that have been issued certification by the State of New Mexico. To qualify for the preference, the bidder must list a valid resident business certificate number and shall submit a copy of the certificate with the bid. If you have a question regarding a Resident Business (or Veteran Business) Certification, or wish to be given a number, you may contact the New Mexico State Department of Taxation and Revenue at 505-827-0951. This number is valuable to have as it allows the county to add an additional 5% or more to the final score and could mean a difference in award. Please note that this number is NOT your State CRS Number (i.e. 01-503047-004). In addition, **any preference numbers issued by the NM State Purchasing Office were valid only through December 31, 2011 and must be re-issued through the Taxation and Revenue Department.**

13. CAMPAIGN CONTRIBUTION DISCLOSURE FORM

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.
