Natural Resources Conservation Service

Lincoln County along with The Natural Resources Conservation Services is implementing the NRCS / EWP program

Program Objective:

The Emergency Watershed Protection (EWP) Program helps landowners, operators, and individuals implement emergency recovery measures to relieve imminent hazards to life or property created by a natural disaster that causes a sudden impairment of a watershed.

Assistance must be through eligible project sponsors.

Private Property Flooding Assessments:

If your private property was damaged by the recent flooding event and you would like an assessment, please email a completed application to upperhondo@uhswcd.com

Hand delivered applications should be delivered to 267 Main Rd, Capitan, NM 88316.

Office 575-354-2220

Notice:

Assessment of property is not a guarantee for eligibility or funding.

Deadline to submit application: July 9, 2021 – 5:00pm
